

Biking at the mountainbike to Svinklovene – Can also be done in car

Start to drive to Svinkløv Bathhotel and then to the sign in the forest 5.6 km according to Google map

Drive to Svinkløv Bathhotel

Turn left up hill

At Svinklønvej before you get out of the forest you see the sign on your right to Svinklovene

If you drive in a car drive carefully because bickers might cross Mountainbike track Slettestrand/Svinkløv

The road ends at Svinklovene – now there is a fencing for island horses

View towards Bulbjerg

You might know the view from the TV series The Bathhotel it was here that the hotel was put in the nature

You just walk in to the fences – No problem but of course in the time with newborn foals take care not to disturb the horses too much

View to the east – You can see the Svinkløv Bathhotel in the distance at the end of the hill the hole slope is called Lien

When you walk to the edge of the sloop and look towards the water downhill you can see the lime bunkers that when you look from the sea side gives the cliff the characteristic structure that symbolized in the name the svinlovene the swine claws

If this is the only visit to the svinklovene yu should go downhill to the seside to view the cliff se pictures in the PDF the walk from Svinkløv Bath hotel to svinklovene and return
